

Year 6

Autumn 1

Home Learning: There's No Place Like Home

Topic focus:

Geography
History
Art

What is Farnborough famous for?

Farnborough's Past

Using the internet, visiting Farnborough library or the FAST Museum, or talking to older relatives, what can you find out about Farnborough over the years?

Things to consider:

Have there been any significant changes?

Have there been any significant events?

Be prepared to share what you find out in a format of your choice. For example. This could be in note form, creating a poster or a fact file.

My Farnborough

Can you create your own map of our local area? Could you use the map to navigate from your home to school?

Things you might include: Road names, Cove Brook, significant buildings (e.g. Manor Junior School, your home, a place of worship, retail and leisure), parks, bus stops.
