

Year 5 Home Learning Autumn 1

Please choose two challenges from the grid and be ready to share what you have done on **Tuesday 15th October** in our year group assembly.

You should also be **reading** for at least 10 minutes every day and practising your weekly **spellings** (these will come home each week on a separate sheet).

Continue to practice your times tables

Log on to Times Tables Rockstars and see if you can increase your level!

There will be a battle between the classes. Can you help your class to win?

In Science, we will be learning about space.

Try star gazing with your family. Can you record what constellations you can see?

Can you produce a word document or powerpoint about space facts

In Art, we will be studying Peter Thorpe.

Can you produce an space themed piece of art at home?

In English, we will be thinking about how we choose books to read.

Go and visit Farnborough Library and choose some books to borrow this term. You can borrow up to 20 at a time!
Can you write a review of one of the books to share with your year group?

If you are not yet a member of the library, visit in person or search for *Hampshire library join* to join for free.

Construction Club at Farnborough Library

**Every Saturday
2pm to 4pm**

If you enjoy making things with Lego® and or Duplo® bricks come along and enjoy our Construction Club. Parents and carers must remain with their children during the session. FREE! No need to book, just come along.

You might also enjoy the Construction Club at the library on a Saturday afternoon!

In Science, we will be looking at light.

Can you make a shadow puppet and investigate what happens to the shadow when the light source is moved further away.
