Discover Darwin

Make a poster about Charles Darwin and his famous round the world trip in a ship called The Beagle to learn about variation.

Information you could include:

- When and where was he born?
- Where did he work?
- What was his important scientific discoveries?
- When did he die?
- What was his ship like?
- How long did he travel for?
- Where did he stop on his journey?
- What did he discover and find out?

You should include a list of websites/books you use.

What if the dinosaurs hadn't died out?

Write a story about how the world would be different if dinosaurs had not become extinct.

Ideas: Think about whether humans would have evolved or not and how dinosaurs would have evolved over time too.

Here is an article about it:
